PROGRAM REPORT

Date: 11.10.2019

Name of the program: Three Days Program on "Time management "

Date : 08.10.2019 to 10.10.2019

Resource Person and Details:

Name : Dr.M. Sreenivasulu

Designation : Professor, Department of Pharmaceutical chemistry

Institute Name: Santhiram college of Pharmacy

Place : Nandyala

Contact No: 9505811202

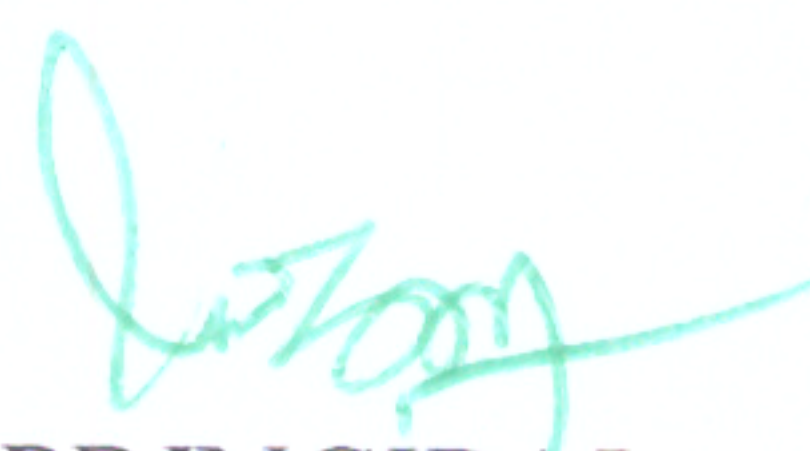

Mail Id: sreenivasulu_munna@yahoo.com

The Ratnam institute of pharmacy conducted a special section on Three Days Program on "**Time management** " in seminar hall from 08.10.2019 to 10.10.2019. This program was initiated by our principal Dr. M. Gobinath with a motivational speech.

On that session students learn Importance of Soft Skills simply mean to measure or determine a person's ability in a particular skill or field of knowledge. The aim of Managing time effectively enables students to become more confident, and organized, and learn more efficiently. Essentially, the purpose of time management is to enable people to get more and better work done in less time. Elements of time management include organization, planning and scheduling to best take advantage of the time available.

The session ended with Vote of thanks by Program Co-ordinator.

REPORT

Date: 12/01/2020

Name of the programme: A Four day program on “Improving Communication Skills”

Date of the program: 06/01/2020 to 09/01/2020

The Ratnam Institute of Pharmacy organized a training program in the Seminar Hall from 12:00 PM to 12:45 PM for the students.

The training program started with addressing the gathering by Program Coordinator and welcome speech by Principal, followed by introducing the resource person **Mr. K. Shiva Prasad.**

Further the session started with explaining the effects of communication skills on society. He elaborated about different types & modes of communications which helps to improve the written, verbal & non-verbal communication. He added the importance of communication which helps to build connection to customers and improve relationship. He focussed on different modes of online communication and its role in cloud computing tools like messaging, video conference, chatting, chatting via emails & project reports etc....He further explained the different tools like skype, cyskon, webex etc.... Further he listed the qualities to be present for a good, skilled & effective communicator by giving few examples. Total of 45 students actively participated in this program.

The program ended with a vote of thanks by the Program Coordinator, Principal, and Management of Ratnam Institute of Pharmacy to the resource person and the students for making this program successful.

REPORT

Date: 16/09/2019

Name of the programme: A Four day ICT program on “Role of ICT in Inventory Control Management”.

Date of the program: 10/09/2019 & 13/09/2019

The Ratnam Institute of Pharmacy organized a training program in the Seminar Hall - II from 2:30 PM to 03:30 PM for all the students of Pharm D.

The training program started with addressing the gathering by Program Coordinator and welcome speech by Principal, followed by introducing the resource person **Mrs SK. Meherunnisa**.

Further the session started with the need of inventory in hospitals. She stated that it is a computer based system for tracing the medicines in inventory level, orders, sales & deliveries. It also minimises the inventory purchase, carrying cost. She further explained the process of inventory which includes receiving and inspecting the products, sorting & stock of products, accepting the customer order, fulfilling package and shipping order & reordering the new stock.

She further briefly explained various methods like visual, periodic & perpetual which helps in managing the inventory management in hospital pharmacy. She stated that the perpetual method is the best and most commonly used. She added that it is a computerized system which monitors the entry & exit of inventory all times in continuous systematic barriers. She added that nowadays, all the inventors' data is entered into computer software.

She also enlisted and briefly explained about different ICT tools like Electronic Medical Records (EMR), Electronic Prescribing Systems (EPS), Telecare, Adherence Monitoring, Barcode & Robotic technology etc. Total of 45 students actively participated in this program.

The program ended with a vote of thanks by the Program Coordinator, Principal, and Management of Ratnam Institute of Pharmacy to the resource person and the students for making this program successful.
