The Ratnam institute of pharmacy conducted a special section on Three Days Program on " **Pharma Marketing Management**" in seminar hall from 17.08.2022 to 19.08.2022. This program was initiated by our principal Dr. M. Sreenivasulu with a motivational speech.

On that session students learn Importance of Soft Skills simply mean to measure or determine a person's ability in a particular skill or field of knowledge. This program will often to avoid disappointments in entrance for various competitive exams and job interviews.

In this highly competitive pharmacy world Soft Skills are prominently important things. Broadly they are Communication, Leadership, Time management, Team work and Flexibility. In the Valedictory program held at end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their Soft Skills.

The session ended with Vote of thanks by Program Co-ordinator.

REPORT

Date: 15/10/2022

Name of the programme: “A Two day ICT training program on “Online Plagiarism Checker Tools”

Date of the program: 12/10/2022 & 13/10/2022

The Ratnam Institute of Pharmacy organized a training program in the Seminar Hall from 03:00 PM to 03:45 PM for the students of IIIrd year Pharm D & B. Pharmacy

The training program started with addressing the gathering by Program Coordinator and welcome speech by Principal, followed by introducing the resource person **Dr. P. Pratyusha**.

The session started by brief explanation of need, benefits and reasons for plagiarism checking. She stated that plagiarism is important to avoid duplication of content & words in theses and document writing. These tools can search through a multitude of databases and indexes so that any incidents of plagiarism can be detected and appropriate action can be taken. She also stated that plagiarism applies to using a previously published idea, expression, word, image, or process as one's original creation. It can also be considered to be theft and or copyright infringement. She further enlisted different online tools and software's available for plagiarism check. She further added the description of tools and how to handle the data and avoid duplication of data and work. She demonstrated the hands-on training of free online software plagiarism tools and software like Plagiarism Checker X software & Viper. Total of 46 students actively participated in this program.

The program ended with a vote of thanks by the Program Coordinator, Principal, and Management of Ratnam Institute of Pharmacy to the resource person and the students for making this program successful.
